

WallMaster 300

WALL MOUNT WITH EXTRA WIDE BELT

WallMaster wall mounts have the widest range of belt options available on the market. The Xtra models offer the unique advantage of a 50% wider belt making a more visible barrier and allowing bold printed safety messages. Available in four lengths up to 15ft, WallMaster belts are also available with the industry standard 2" width, in 30 colors and 20 stock safety messages including bilingual English/Spanish and English/French options. Standard housing finishes are black or chrome to suit interior décor and high visibility red, yellow or orange for safety applications.
