

WallPro 400 & 450

WALL MOUNT FOR MEDIUM TO LONG SPANS

The WallPro 450 is a wall mounted retracting belt barrier designed for restricting access in medium to long span applications such as warehouse isles and loading bays. With four belt lengths from 15' to 30' the WallPro can span the longest gaps. The WallPro's tough ABS housing is designed for work environments and is available in black or a range of safety and interior décor colors. Multiple mounting and belt end options designed for specific applications make the WallPro one of the most versatile barrier systems available.
