

TENSATOR®

884 OUTDOOR SPIKE

The 884 Outdoor Spike Post offers easy outdoor demarcation capabilities combined with the advanced safety features of our Tensabarrier™ retractable belt system. Each post is made using UPVC tubing and a galvanized steel spike, making it a lightweight, easy to pop-up and remove access control solution.

APPLICATIONS

- Outdoor construction or other job sites
- Corporate outside events
- Sporting events
- School athletic games
- Parks and recreation areas
