Tensabarrier® 897 Plus Wall Unit

Part of the world's first and largest range of retractable belt barriers

The 897P wall unit is ideal for areas requiring periodic access restriction without taking up floor space. The wide belt creates a better physical barrier and is more visible than traditional 2" belts. The large surface area enables logos or safety/caution messages to be printed in extra bold type making the message stand out.

Specifications:

Dimensions: 9.75" h x 3.5 w x 3.25 d

Weight: 4 lbs.

Colors: Body Black

Caps: Red/ black/ yellow/ satin chrome

Belt Length: 7.5'

Belt Width: 6"

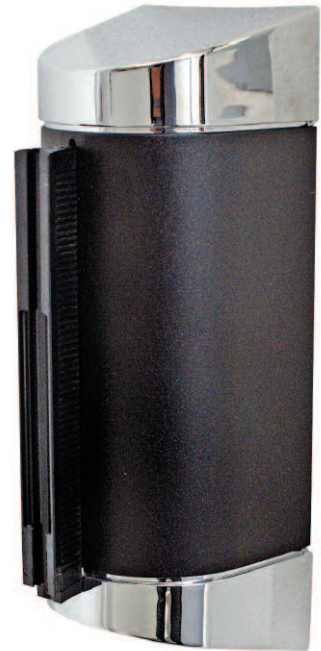

Belt Construction: Heavy duty woven polyester
