

Tensabarrier[®] TCL Tensaclear

Part of the world's first and largest range of retractable belt barriers

Tensaclear provides all the functionality of a standard Tensabarrier with the unique promotional opportunities provided by having a clear post. Made from polycarbonate the post is crystal clear and incredibly tough making it ideal to fill with promotional items, anything from gumballs to coffee beans. The post can be filled before delivery or on the customer's site by use of the easy to remove and replace cassette head.

The post also takes an easy to change printed graphic sleeve for promotional messages.
