

WeatherMaster 250

PORTABLE AND WEATHERPROOF - 2 or 3 inch Wide Belts

WeatherMaster is a tough, portable barrier ideal for creating outdoor waiting lines or restricting access to temporary work areas. With a recycled rubber base and powder coated stainless steel post the WeatherMaster is designed for outdoors use. The base features convenient carry handles and is tough enough to drive over! The Xtra model features a 50% wider belt making a more visible barrier and giving much greater impact to printed logos and safety messages.

Tough recycled rubber base

Convenient carry handles

Durable stainless steel posts
